SHAMPOO

News & General information

EXCITING PLANS FOR THE GROUNDS AROUND ST. GEORGE'S

St. George's Environment Group is working on plans for the grounds around the church. We are hoping to plant a wild-flower meadow and native shrubs and plants; to encourage more flowers and insects in the grassy areas; and to start some shared vegetable beds. In the longer term we hope to plant native trees, such as crab-apples, rowan, birch.

In addition, we want to connect with the local community by creating beauty and green spaces that are open and available to the public. This will give a sense that the church isn't only within the walls, but that it 'spills over' to the outside.

As well as these plans, we would like to start an informal, monthly local gardening club: to share ideas, tips, seeds and plants. Dates and times and location to be decided.

Contact Cathy Hemsley or Allan Scrivener if you are interested in any of these plans, have any suggestions or comments, or would like to get involved.

SOUP AND SOCIAL

Please note there will be no soup & social on Sunday 28th April

BEREAVEMENT JOURNEY COURSE

The final session 'faith questions' of the bereavement journey course will be on Tuesday 2nd April at 4:30pm.
