Sunday 31st March - Easter Day

10:00am - Holy Communion @ St G's

10:30am - Holy Communion @ PJ's

PALM SUNDAY SERVICE PROCESSION

Our Palm Sunday service on 24th March will be a shared service between our two churches. The service will start at St. George's church at 10:00am for the first half of the service. We will then process to St. Peter & St. John church to conclude our service with Holy Communion. Our procession will be a witness of our Christian faith to the people of our parishes. For those who may find walking difficult, we would like to ask for volunteer drivers who can give people a lift to and from church. Please let the church wardens know if you can offer lifts. If you need a lift, please sign up on the sheet at the back of church.

RUGBY ECO HUB

Rugby Eco Hub are hosting an open day on Sunday 17th March, 2-4pm at Claremont Centre. This open day is for individuals to have a look around, learn more about combating climate crisis and transition to a more sustainable future. All are welcome.

EXCITING PLANS FOR THE GROUNDS AROUND ST. GEORGE'S

St. George's Environment Group is working on plans for the grounds around the church. We are hoping to plant a wild-flower meadow and native shrubs and plants; to encourage more flowers and insects in the grassy areas; and to start some shared vegetable beds. In the longer term we hope to plant native trees, such as crab-apples, rowan, birch.

In addition, we want to connect with the local community by creating beauty and green spaces that are open and available to the public. This will give a sense that the church isn't only within the walls, but that it 'spills over' to the outside.

As well as these plans, we would like to start an informal, monthly local gardening club: to share ideas, tips, seeds and plants. Dates and times and location to be decided.

Contact Cathy Hemsley or Allan Scrivener if you are interested in any of these plans, have any suggestions or comments, or would like to get involved.
