COMMUNAL ECO CHRISTMAS CARD

SCHEME

It is estimated that around 1 billion Christmas cards end up in the bin during the festive season. Whilst some re-purpose their cards for gift tags, crafts and decorations, a staggering amount still end up at landfill. When considering the environmental impact of this we have decided to once again run a communal Eco Christmas card scheme this year.

Instead of writing individual cards to those at St Georges, we would like to encourage you to write a single Christmas card, letter, poem etc to the whole congregation which will be pinned to a decorated Christmas board in Church for everyone to see, read and enjoy. The board will be available from Sunday 1st December. This is a wonderful way to reduce our waste and spread joy to all.

CHRISTMAS HAMPER FOR A CAP CLIENT

We have the opportunity to provide a Christmas hamper for one of CAP's local clients. If you would like to provide an item for the hamper, there is a sign-up sheet in church. Initial one of the items and bring the item along by Sunday 1st December. Ensure that the sell-by date isn't before the 25th December please! Thank you.
